

TASTING NOTES

This is a great example of Mendoza Malbec. Incredible deep purple red color. Loads of spice and black and red cherry aromas with notes of chocolate. The berry flavors really pop on the palate as the wine has both a full mid palate and lively acidity that leads to an incredibly long finish. A bottom note of freshly brewed espresso keeps the mouth watering too. This one is a teenager at the moment, and should age very well (and not talk back when you don't give it the car keys!). Pairs well with foods such as venison or wild game, steak, pork, quail, all types of lamb, and medium-strong cheeses. A very flexible Malbec due to its concentration and balance.
